EMERGENCY ALERTS

- Free and simple sign up system to receive instant mass notifications in the event of a disaster or emergency
- Everyone should sign up, but especially residents and visitors of the Regional District of Central Kootenay and area Municipalities
- Choose an area from which you would like an alert for, or the entire region
- Sign up for both text messages and automated landline calls
- Notifications will include links to important information like evacuation alerts, maps, notices, reception centres, etc.

If you do not have access to a computer, the internet and do not have a cell phone, (only landline), call RDCK Emergency Services directly at 250-352-8154 to have someone enter your information for you.
